EXPERIENCE

Tata Consultancy Services, Bangalore — *Assistant System Engineer*

July 2019 - PRESENT

I have been associated with Cisco for the past year. I developed a web application using ReactJS framework in my organization (Cisco) which helped the client to view changes even when their tools were down. Ported it as a windows desktop application using ElectronJS for better use and reach.

EDUCATION

Sapthagiri College of Engineering (VTU), Bangalore — *Bachelor of Engineering (Computer Science)*

July 2015 - June 2019

Graduated with 7.2 CGPA.

CERTIFICATIONS

Oracle Certified Associate, Java SE 8 Programmer

PROJECTS

Twitter Review Data Analysis

Analyzing twitter data to generate a consensus about hotel review using Twitter's API.
https://github.com/rajharsh1997/TwitterHotelReviewDataAnalysis
